

MASTER PLAN

AUGUST 2018

The approval of this planning document by the Friedman Memorial Airport Authority (FMAA) does not constitute final approval of any of the improvements shown. This is a planning document showing potential improvements that may be necessary in the future, depending on demand at the airport and appropriate project justification. Implementation of specific projects shall not occur without specific approval of the FMAA, in accordance with the Friedman Memorial Airport Joint Powers Agreement as amended, or a successor document.
