SUN art

Nov. 2018 – May 2019
www.iflysun.com

Welcome to the SUN Art exhibit at Friedman Memorial Airport (FMA). This is the sixth in a series of rotating exhibits—an effort by FMA to showcase the talents of the many artists who are influenced by the region. Each exhibit is organized and juried by members of the Bellevue, Hailey and Ketchum Arts Commissions, and FMA board and staff. Throughout the terminal, you will also find artworks from FMA's permanent collection.
